Core Competencies

Gregory Poole Equipment Company is your high value, low risk governmental solutions provider. We are a proud Caterpillar dealer-ship being a provider for and creating partnerships with our customers since 1951. Along with the complete Caterpillar line of equipment and generators we also represent many allied products including material handling products, school and activity buses, aerial platform lifts and paving products.

Product support offerings such as parts, certified rebuilds and overhauls, and preventative maintenance will bring the fundamental benefits and strengths of Gregory Poole Equipment Company to your governmental agency, while ensuring the best long term value and greatest equipment investment of our tax dollars for all concerned.

Should you need to satisfy a set aside requirement, we are aligned with set aside partners to accommodate this prerequisite and to make the transaction satisfactory for all concerned.
